

SHORT ENGLISH BIO – LAST TRAIN

Last Train is a French rock band from Mulhouse, Alsace. Building their career exclusively through live performances, playing more than 500 concerts worldwide between 2015 and 2022, the band released their first album *Weathering*, in April 2017. Independent and active in their own careers, the quartet released a second album, *The Big Picture* in 2019. The following tour led them to perform at major festivals such as Les Eurockéennes de Belfort, Main Square Festival, Les Francofolies de la Rochelle and a sold out Olympia in Paris!
